

We Need Your Help

Now more than ever, LAPRAF needs your help to ensure we have the resources available to provide financial aid, college scholarships and other assistance to active and retired police officers and their families who find themselves in dire financial circumstances.

Please consider a tax-deductible financial donation of any size, one-time or ongoing, so we can continue to provide help to officers and their families in need. We encourage all retired members to donate.

Here are a few easy ways to donate:

- **Donation by check:** Complete form enclosed and mail in the postage-paid envelope with your check made payable to LAPRAF.
- **One-time or ongoing donation by pension payment deduction:** Complete form enclosed and mail in the postage-paid envelope. You can also scan your completed form and email it to LAPRAF@lapra.org.
- **One-time credit card donation:** Complete form enclosed and mail in the postage-paid envelope. Or if you prefer, you can make a secure credit card donation online. Go to www.lapra.org/lapraf-donation.html.

You can also add the Foundation as a beneficiary to your trust, will or estate plan. For more information, email LAPRAF@lapra.org or call (213) 674-3701.

Making a Difference

A disabled officer who couldn't pay his health insurance premiums. An officer with cancer who couldn't afford all the ancillary expenses associated with cancer that aren't covered by medical insurance. A retired officer who suffered a stroke and needed help with food, rent and basic living expenses.

These are just a few of the examples of LAPD officers who have received assistance from the Los Angeles Police Relief and Assistance Foundation (LAPRAF) in times of crisis. Officially established in November 2007 by LAPRA, the Foundation provides financial assistance, educational scholarships and other support to active and retired officers and their families who, through no fault of their own, find themselves in dire financial circumstances beyond the resources of LAPRA.

The Men and Women on the Front Lines Need Our Help

LAPD officers patrol an area that measures over 468 square miles. And they stand responsible to protect a city that more than 3.9 million people call home.*

You have the opportunity to positively impact your LAPD brothers and sisters who sacrifice so much to keep our communities safe.

Your Support Matters — Especially Now

Since 2007, your Los Angeles Police Relief and Assistance Foundation (LAPRAF) has provided thousands of dollars in assistance to members who have experienced devastating personal crises such as a disabling injury, organ transplant, terminal illness and property destruction due to natural disasters.

Especially now, police officers are at risk. As first responders, our members are on the front line keeping the public safe, despite the serious threats of COVID-19 and social unrest to their health and safety.

Without your help, we may not be able to provide the assistance these officers and their families need during this unprecedented time. Please make a donation — big or small — today.

Scholarships for Tomorrow's Leaders

The LAPRAF is also proud to help make college affordable for families who need assistance. The Foundation provides annual college scholarships to graduating senior high school students. In 2019, the Foundation extended its impact by increasing the number of scholarships awarded each year from four to five. We have funded more than 50 college scholarships to date, and the number of applicants continues to grow each year. We know our scholarships help. For example, a 2015 LAPRAF Scholarship recipient, and recent college graduate, is now employed by Northrup Grumman as an Electrical Engineer.
