

Help Us Take Care of Our Own!

The Los Angeles Police Relief and Assistance Foundation (LAPRAF) was formed to provide financial assistance and other support to active and retired officers and their families that, through no fault of their own, find themselves in dire unforeseen financial circumstances.

Personal Crisis

Since 2007, LAPRAF has provided thousands of dollars in financial assistance to members who have experienced devastating personal crises such as a life-disabling injury, organ transplant, terminal illness and property destruction due to natural disasters.

College Scholarships

LAPRAF provides 5 annual college scholarships to graduating senior high school students. Each year the number of applicants continues to grow. Over 50 college scholarships have been funded so far. LAPRAF is proud to encourage the further education and personal development of today's youth. For example, a 2015 LAPRAF Scholarship recipient, and recent college graduate, is now employed by Northrup Grumman as an Electrical Engineer.

Join the Foundation

Be an important part of giving back to those who dedicated their careers to helping others. For LAPRAF to reach its full potential, we rely on the generosity of our members. Please consider a tax-deductible financial donation, small or large, so we can help even more officers and their families who need assistance.
