LAPPL Member Assistance Program (MAP)

- **Call us anytime, any day.** We're just a phone call away whenever you need us. At no extra cost to you. An advocate can help you assess your needs and develop a solution. He or she can also direct you to the resources you need.
- **Visit a specialist.** You have ten face-to-face sessions with a behavioral counselor available to you per incident - and your household members too. Call us to request a referral.
- **Crisis counselors are available 24/7/365**
